What is the Brick tournament?

For those not familiar with the Brick tournament, it is one of the most prestigious hockey events available for players at the 10 & Under age level. The Chicago Jr Blackhawks Brick team is the **only sanctioned program** (for the past 8 years) that can bring an Illinois team to the **actual** Brick Tournament in Edmonton, Alberta. The Brick is offered for the **2008** age group in the summer of 2018. Select teams from all over the North American continent attend this renowned summer tournament which offers many young promising hockey players and their parents a first opportunity to compete in a very elite international environment. Not only does the tournament provide great hockey, but also a number of off-ice activities including the famous Brick Tournament Beach Party at the Water Park and skills competition which makes the tournament a special fun-filled hockey experience for the entire family.

Why include the 2009's at this evaluation?

200x85 and the Chicago Jr Blackhawks Brick Team will use this year's process to evaluate the 2009 birth year to become aware of the prospective players and better prepare for success in the next year.
