

To All STX Chi Town Shuffle Team Contacts:

This has been a very sad week for the entire hockey community which has mourned the sudden passing of 15 members of the Humboldt Broncos Jr Hockey team. The outpouring of condolences and compassion that has been demonstrated the past few days- shows once again, how special the hockey world is. The STX Chi Town Shuffle and 200x85 are honored to be a part of this great hockey family and would like to do our part (along with **all** 278 teams) during this tragic time.

For those teams wishing to make a \$100 donation (this is open for teams to donate more) we will provide 20 helmet decals to your players/team to wear in the upcoming Tournament. All proceeds (**100%**) will go directly to the Broncos fundraiser.

Teams can pre-order Decals with barbie@200x85.com and the Team Managers/Coach/or Designee can pick these up at the STX Chi Town Opening Night Check In/Reception on Thursday, April 19 at Seven Bridges Ice Arena. Each Team Rep will simply drop off their check payable to 200x85 LLC. 200x85 will track all team payments and post every contributing team name & amount on our website. 200x85 will make one major donation at the conclusion of our event and share with everyone.

Thank you in advance and we hope for an amazing response!

Kevin Mann and the entire Team at 200x85 LLC
